

IARD 2012

International Association
for Relativistic Dynamics

8th Biennial Conference

Florence, Italy

29 May - 1 June

Bringing together researchers from
diverse fields whose interests
and applications involve
classical and quantum
relativistic dynamics

International Advisory Committee

Stephen Adler
Institute for Advanced Study

Itzhak Bars
University of Southern California

Gordon Baym
University of Illinois

Jacob Bekenstein
Hebrew University

Fred Cooper
Los Alamos National Laboratory

Bei-Lok Hu
University of Maryland

Werner Israel
University of Victoria

E.V. Shuryak
Stony Brook University

L.S. Schulman
Clarkson University

William Unruh
University of British Columbia

Local Organizing Committee

Luca Lusanna
National Institute of Nuclear Physics (INFN)

Francesco Bigazzi
University of Florence and INFN

Domenico Seminara
University of Florence and INFN

International Organizing Committee

Tepper L. Gill
Howard University

Larry Horwitz
Tel Aviv University
Bar Ilan University

Martin Land
Hadassah College
